The United States of America, by and through its undersigned counsel, herein submits a motion to modify the Judgment.

On April 10, 2017, after sentencing Defendant Malek Jalal, this Court stayed execution of the Judgment for 90 days in order to determine whether additional restitution should be ordered as part of Jalal's criminal sentence. Docket Entry 140. Since this time, the Government has heard from one additional party (Murex LLC) that is requesting restitution in this matter. Consequently, the Government requests that the Judgment be modified to include this restitution or for a hearing to determine the merits of the request. The documents supplied by Murex in support of its claim are attached.
